RE: Recommendation Letter for Meet Solanki

To whom it may concern,

Meet Solanki has been completed 4 months Co-Op at South Essex Community Council as a Data Specialist Assistant. In his role Meet has demonstrated high enthusiasm, hard work and dedication. Meet always ensures that all expectations are exceeded, and all services are provided to the highest level.

As department coordinator I can ensure that Meet has shown his responsibility as a serious business and always following the excellence in every aspect of his duties, delivering consistency, quality, attention to detail and dedication.

I highly recommend Meet Solanki as a strong professional candidate and would be happy to provide further reference if needed.

Sincerely,

Luis Palacios

IT Department Coordinator – Data Specialist
